EXPENSES, STIPEND & MEALS:

No lodging or travel expenses will be paid to scorers. There will be a \$150.00 per day stipend paid by the host site university. Each day the scoring site will provide a continental breakfast, lunch, and refreshments for morning and afternoon breaks.

COLLEGE CREDIT:

Two hours of graduate credit will be available to scorers through Northwest Missouri State University. The cost will be \$75.00 per credit hour. Registration for the course and the course assignment will be handed out the first day of scoring. The assignment will be due on the final day of scoring. Cost for the course will be billed to you from NWMS.

TRAINING, QUALIFYING & SCORING:

Before scoring the MAP assessments, each evaluator or scorer must be trained using the item scoring guides and then must pass a qualifying round. This is the same procedure used at the CTB scoring sites for their evaluators. Training will take place over the first three days of scoring. Scorers that do not qualify after two attempts will not be able to remain and score student work.
